

OMNEXT SQA PLATFORM TRIAL AGREEMENT

Version: 1.0
Date: 01-01-2025

By signing up for a trial version of the Omnext SQA Platform ("Platform"), you agree to the following terms ("Agreement"). Please read these terms carefully before using the trial version of the Omnext SQA Platform.

GENERAL TERMS OF USE

- You will be granted temporary access to the full functionality of the Platform for the duration of the trial period of 10 days.
- You agree to use the Platform solely for the purpose of automatically analyzing the source code of your applications according to coding best practices.

PRIVACY AND DATA PROCESSING

- **Use of Uploaded Code:** All source code uploaded to the Platform will be used exclusively for performing the code analysis. Upon completion of the analysis, the source code will be immediately and permanently deleted from our systems.
- **No Storage of Code:** Omnext does not retain any copies of your uploaded code, and has no access to the code after the scan is complete. You are responsible for ensuring that the uploaded code does not contain confidential, personal, or sensitive information.
- **Privacy Policy:** By using the Platform, you agree to our [Privacy Policy](#) which explains how your personal data is processed, if applicable.

DATA AND IP SECURITY

- Omnext is **ISO 27001 certified**, meaning we comply with internationally recognized standards for information security and take appropriate technical and organizational measures to ensure the confidentiality, integrity, and availability of your data.
- We implement comprehensive measures to protect your uploaded code and personal data from loss, misuse, unauthorized access, alteration, or disclosure. These measures include encryption, access control, and regular security audits. More information can be found in our [Trust Center](#).
- **Intellectual Property:** All uploaded code and data remain the property of the user, but Omnext guarantees that we do not acquire any rights to your intellectual property (IP) through the use of the Platform. Omnext is responsible for ensuring the confidentiality of your IP and ensuring that there is no unauthorized access to your uploaded code.

USER'S RESPONSIBILITY

- You are solely responsible for the code you upload to the Platform. By uploading code, you declare that:
 - You have the legal authority to upload this code and share it with Omnext for the intended analysis.
 - The code does not infringe any third-party rights, including but not limited to copyrights, trademarks, or confidential information.
 - If the code is owned by an employer or another third party, you explicitly have permission or authority to upload the code, and you indemnify Omnext against any claims arising from the unauthorized use of the code.

- Omnnext is not responsible for any damage or legal claims resulting from the upload of code that does not comply with the above conditions. You agree to fully indemnify Omnnext from any legal liabilities or costs arising from third-party claims related to the uploaded code.

NO WARRANTIES

- The Platform is provided "as is," and Omnnext makes no warranties regarding the operation of the Platform or the results of the code analysis.
- Omnnext is not liable for any damages arising from the use of the trial version, including but not limited to data loss, software damage, or other indirect damages.

TERMINATION OF THE TRIAL

- Omnnext reserves the right to terminate access to the Platform at any time without prior notice if you breach these terms.
- After the trial period ends, you may choose to subscribe to a paid plan. If you do not do so, your access to the Platform will be automatically terminated.

CHANGES TO THE AGREEMENT

- Omnnext reserves the right to amend this Agreement at any time. Any changes will take effect as soon as they are posted on this page. It is your responsibility to regularly review the terms. If you do not agree with the updated terms, you must immediately cease using the Platform.

AGREEMENT CONFIRMATION

By continuing the sign-up process, you confirm that you have read, understood, and agree to the terms of this trial version of the Platform.
